

# A SEASON OF EVIL

---

**By: Phillip Hayes**

*To everything there is a season, and a time to every purpose under the heaven. [Ecclesiastes 3:1]*

*And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually. [Genesis 6:5]*

We have now entered a season of evil. I believe this season of evil will be similar to the days of Noah. Jesus prophesied this would take place just prior to His coming.

Look at what is happening all over the world, nothing but evil continually. It seems nothing is surprising or shocking any more.

Never before in the known history of man has there been so much sexual perversion; we hear of homosexuality among great personalities and leaders of nations. The recent decision of the United States Supreme Court making homosexual marriage the law of the land has many people in an uproar. But sin is sin. For some reason the church and its leaders seem to think the world should obey God's laws. As I have stated before, the United States is not the Kingdom of God. It is a corrupt, evil nation as all nations of the world are. The nations of the world are under the influence and control of Satan. God has allowed this for a season of time and there is nothing you can do about it. Satan is the god of this world and he has blinded those that are unsaved (2Corinthians 4:3-4).

Let me reemphasize my feelings of the recent Supreme Court decision: "In the early part of the twentieth century Billy Sunday predicted, "If the government tries to take the

Bible out of our public schools the rivers of America will turn red with the blood of Christians.” Obviously, this didn’t come to pass! Not only have Christians and Christian leaders stood idly by while the Bible was taken out of our schools; we have also allowed the government to take away praying in public schools and school sponsored events. There has been barely a whimper of protest among Christians! On top of that, Christians have stood by while over Fifty Million babies have been murdered in their mother’s wombs since 1973 through legalized abortions in the United States and over One Billion murdered world-wide. Small whimpers of protest were made here and there, but nothing major! Now it seems Christians are coming out with a vengeance against the latest government ruling legalizing gay marriage! You say, “It’s a sin and an abomination!” Yes, you are exactly right. But what about abortion? What about taking the Bible and prayer away from our children? I think the majority of Christian ministries that are so upset over this latest ruling is because they may lose their 501c3s and government approved faith based programs that have enriched many churches and ministries! Yes, I think the reason so many well-known ministers are in an uproar about this is about money, not about the sin of homosexuality! What is the worse sin, murdering babies or gay marriage? The government can’t make you marry Adam and Steve or Mary and Jane! Let them try! Let them sue us and take away our tax exempt status (501c3s)! Let them take away our government sponsored faith based programs and church buildings! These actions against the Church of Jesus Christ will never stop True Christianity. As a matter of fact Christianity will blossom and explode in America when persecution comes. The United States of America IS NOT the Kingdom of God and DOES NOT represent it either! As a matter of fact – and as far as the Bible is concerned – the

True Church should have always been separate from the world and the state! We're just getting where we are supposed to be – Separate!"

I want everyone to understand that the problem is sin and it is a world-wide problem. ". . . *The whole world lieth in wickedness*" [1John 5:19]. The United States is not alone in the world in approving same-sex marriage! They joined 19 other countries when they passed their freedom to marry law. The Netherlands was the first nation in 2000! Later came, Belgium, Spain, Canada, South Africa, Norway, Sweden, Portugal, Iceland, Argentina, Denmark, France, Brazil, Uruguay, New Zealand, England/Wales, Luxembourg, Finland and Ireland. Mexico, Australia and Columbia are also taking steps to approve gay marriage. Many of these nations had great revivals and moves of God in the past!

One more fact before I move on. BEFORE the Supreme Court passed the national gay marriage law, there were ONLY 13 STATES left that forbid gay marriage! Gay freedom to marry was fully in effect in 37 states.

I have heard some preachers declare, "God is going to destroy America for passing this gay marriage law"! God is not a respecter of persons. Maybe He will, but if He destroys America, He will have to destroy these nations also.

I don't know about you, but I thank God that my citizenship is in Heaven!

Yes the world is evil and wicked and will be growing worse and worse. Be prepared, you will continue to hear of sick, disgusting acts committed on children, women, and even corpses! As sickening as it may sound, bestiality is also on the rise! I was told there was a farm in Oregon where these perverted acts with animals were permitted. As a matter of fact the owners were charging a fee to have sex with their animals.

Throughout the world murder, theft and all manner of mayhem is on the rise, more and more each year. Public

schools are not safe; knives, guns, explosives, dope, and alcohol are discovered almost every day in raids on schools in this country. A lot of public schools have now installed metal detection devices to try and slow the influx of dangerous weapons into the classrooms.

You know it's the truth! Public places use to be safe. It is now dangerous to go shopping at your neighborhood mall or to a movie! The whole world is aflame with lust and perversion! And believe it or not, it is worse in many other countries, and it is going to get worse in this country.

*"But evil man and seducers shall wax worse and worse, deceiving, and being deceived." [2Timothy 3:13]*

Jesus said concerning the end time: *"Because iniquity shall abound, the love of many would wax cold." [Matthew 24:12]*

And there are very few that are looking to Jesus for a move of God. With all that is happening in the world, you would think folks would be seeking salvation and deliverance, but they are not! Instead, their minds are continually upon evil just as it was in the days of Noah.

People don't understand that God has not changed. He destroyed every human being and all the animals in Noah's time, because of SIN! *"As in the days of Noah, so shall it be also in the days of the Son of man."* He destroyed everyone except eight people, and the blood of Jesus had not been given; God had not yet given His only Son as a blood sacrifice. How much more do you think God's wrath is kindled in this generation that has rejected His marvelous gift of love that is in Christ Jesus, the Lamb of God. God spared not His own Son for us, mankind.

If God spared not the old world that sinned without any plan of redemption, you had better take heed, God will not spare this present world, that has been given every chance to make reconciliation with God through the precious Blood of the Lamb!

Today the media, politicians and entertainers make a mockery of Jesus and make jokes about Ministers and Christians. But they remain quiet and respectful to the Muslims! Something is going on in our country and in the world. The Muslim religion is being uplifted and supported and the Christian religion is being attacked. You better wake up! These are the last days and persecution of Christians is promised to come!

*And it repented the LORD that he had made man on the earth, and it grieved him at his heart. [Genesis 6:6]*

Can you imagine a loving, kind Creator saying I am sorry I made man, and now I am going to destroy them.

He was grieved in His spirit; man had become so wicked, so self-centered, so loving of themselves they had forgotten their Creator. Their minds were continually on the world and the things of the world: marrying, giving in marriage, eating and drinking; continually having pleasure in the things the world offered, and they didn't think about God anymore.

Think about it, He created man in His own image, to look just like Him, now just a few hundred years later, God repented He had ever made them; He was going to destroy them.

People tell me the good Lord understands when I sin. The good Lord did not understand it in Noah's day when there was no blood atonement, and I guarantee you, God does not understand it today, when there is a blood atonement. God does not understand when people won't live for Him. God does not understand when people won't obey Him. God does not understand when we refuse to walk before Him in holiness. God doesn't understand and I believe He will soon destroy this world. The disposition of Grace will soon close!

It repented the Lord He had made man on the earth and it grieved Him at his heart. Listen to this.

*And the LORD said, I will destroy man whom I have created*

*from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them [Genesis 6:7].*

God was fed up. He created everything for the enjoyment of mankind; the beast of the field, the fowls of the air, the creeping thing; He made man to be Lord over the entire earth, He made Adam the god of the world. He gave man dominion over all the earth! God must have been grieved in His heart when Adam and Eve sinned.

I know people don't like to hear about the anger, wrath or judgment of God. Folks in today's modern church only hear about the blessings, love and Grace of God. They are told they will escape tribulation and persecution. They don't realize they will see the horror of the season of evil we are now entering. In the time of Noah they knew not until the flood came and took them all away.

I believe God has blessed this nation. However, I believe He blessed America because of the born again Christians which live in it, not because America's government is a Christian Bible believing government. This country is not a Christian nation, far from it! A Christian nation would never permit what this nation now stands for. Our churches no longer live and teach Bible standards of holiness. Our ministers have failed to cry aloud and spare not. Sadly, most ministers have become prosperity motivational speakers rather than Holy Ghost anointed preachers of truth. Yet, they continue to say America is a Christian nation. What a deception!

The rise of spiritual perversion and the decline of Truth among Christian ministers and churches is the reason for Americas fall from God's umbrella of protection and blessing. The church has forsaken the foundation of Living Waters.

Let me be as plain as I can be. The Supreme Court's decision concerning abortion and gay marriage is not the reason God will withdraw His blessings or destroy this

country. No, no! They are of the world, and the world is supposed to be that way. He will withdraw His blessings because of the Church's backslidden condition! The church should be the light of the world; the salt of the earth. It is the goodness and righteousness of the church that God responds to. Not the other way around!

Most charismatic television evangelists are a mockery to God. I realize most Christians today look to the television ministers for leadership instead of their local Pastor. I also know it offends many of you what I say about them. But if you know the Word, you know I am right. Their leadership will lead you into worldliness and spiritual perversion. I am afraid many are worshipping God in vain after the commandments and traditions of men. God is still seeking a people that will worship Him in spirit and in truth.

Noah is a perfect type of the true church in the end time.

*"But Noah found grace in the eyes of the LORD. These are the generations of Noah: Noah was a just man and perfect in his generations, and Noah walked with God."*  
[Genesis 6:8-9]

Jesus is coming back for a perfect church without spot, wrinkle or blemish! The ministry was given for the perfecting of the saints. James prayed that the church would be perfect, and entire, wanting nothing.

The writer of Hebrews said, *"Let us now go on unto perfection,"* and in the next verse he said, *"this will we do, if God permits,"* I believe the Apostle Paul knew that God was not going to permit any generation to go on unto perfection except the last generation because it was a perfect type of Noah's day. Noah was a perfect man in his generation and the church will be a perfect MAN, body of Christ, in the last generation. I say again, "Jesus is coming back for a perfect church; a church without a spot, wrinkle or blemish." This is the way God put it in order, and that is the way it will be.

Look at Enoch. He was a perfect man, he walked with

God and God translated him to Heaven. Enoch is another perfect type of the church. He was the seventh from Adam and we are prophetically the seventh from Adam! The seventh day, seven thousand years from Adam is at the door! Let me explain. A thousand years is as one day with the Lord. There were approximately four thousand years from Adam to Jesus. That's four days in God's time. Almost two thousand have passed since the resurrection of Jesus and the dispensation of Grace until now. That's two days in God's time for a total of six days or six thousand years. The seventh from Adam is near, very near!

Both Noah and Enoch walked with God. Likewise, the body of Christ in the end of the last days will walk in God and in His fullness. Supernatural translating power will soon be manifested! The church is predestinated to be conformed to the image of the Son of God. God declared it and it will come to pass.

*And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth. [Genesis 6:12]*

His way, had been corrupted. God's ways are not man's ways. Look how Catholicism has perverted God's ways and the whole world follows after Romanism or Catholicism. They have corrupted God's way. *"As in the days of Noah so shall it be in the days of the coming of the Son of Man."* They corrupted God's way in Noah's time, and this generation has corrupted His ways again. The gospel message and doctrine that Jesus and the Apostles preached has been so perverted, there is little truth left in the earth today. The Bible is being fulfilled! Today, good is called evil, and evil good!

You might be thinking, "Wait a minute, on one hand you say how corrupt the church is, and on the other hand you say how perfect the church will be when Jesus comes." Romans chapter nine, verse six lets us understand that "they

are not all Israel, which are of Israel". I believe firmly that all of the church is not the church! The Kingdom of God is mixed with two seeds. The seed of God and the seed of Satan. Tares and wheat, Good and bad in the same field. But in the end of the last days there will be a separation. (See Matthew chapter 13).

Jesus said many would come to Him in the judgment saying they had prophesied in His name, cast out devils and performed many wonderful works. But He said they were workers of iniquity and to depart from Him. He never knew them! (See Matthew 7:21-23).

They were in the church, but they were not the church! The real born again church is a small "wheat" remnant within what most folks see as the church. The seed of God have ears to hear, while the tares never really hear the true message from God.

And God said unto Noah, "*The end of all flesh is come before me . . .*" [Genesis 6:13]

And I will guarantee you He is saying the same thing now:

*". . . For the earth is filled with violence through them; and, behold, I will destroy them with the earth."* [Genesis 6:13]

Jesus said the end time would be a time of wars and rumors of wars. In the days of Noah, the earth was filled with violence. There was violence and war in Noah's time. Wake up! It's all around you! Violence! Wars and rumors of war! Noah's day of evil and violence is now in the world. Our time, perfectly typed in the Old Testament and prophesied of in the New Testament! "*As in the days of Noah so shall it be also in the days of the Son of Man.*"

Not just violence America! The earth is being filled with violence. The nature of the beast which is wickedness is coming to the fullness.

Just look at what we have witnessed recently. Innocent men, women and children being beheaded by demon

possessed Muslims. A few months ago I warned that America would see beheadings. Just recently in New York a policeman was beheaded by a crazed individual. In a work place environment in Oklahoma, a woman was beheaded by another demon possessed man who was a recent convert to Islam. Another beheading that didn't involve a Muslim happened on New Year's Eve in Florida. A man who claimed to be a Christian beheaded his own mother after an argument! No, you don't have to be a Muslim to be demon possessed! There are numerous other reports of beheadings by Muslims throughout our country that space in this article will not allow to mention.

We have also been horrified to see and hear about the depravity humans can reach as men, women and children have been burned alive in cages, drowned in cages and their bodies mutilated horribly. Recently the Muslims showed a video of a man on a cross with arms and legs outstretched and a man butchering him limb by limb.

A few years ago a crazed Muslim U.S. Army officer murdered several of his unarmed comrades at an army post in Texas. Most recently a young Muslim man murdered five unarmed service men in Chattanooga, Tennessee.

The shame of it all is the murderers have been proclaimed as victims! They say the reason these crimes were committed was because the parents abused them as children, or they were harassed in school. They were caring, loving individuals as their childhood pictures are displayed on television. America's corrupt news media, politicians and some ministers want us to believe it wasn't their fault that they murdered innocent men. I say these men are crazed, demon possessed murderers that need to be punished, not idolized or set on a pedestal.

What more needs to happen before the church wakes up and realizes we are in the season of evil that is foretold over and over in the Word of God?
